## 7 FAST-FACT RESOURCES

### **The Coerced Abortion Flyer**

Short quotes, powerful testimonies and key facts quickly convey the heartbreak of women railroaded into unwanted abortions. Easy to download, copy and send by e-mail, mail or as handouts.

### **The Forced Abortion in America Special Report**

A shocking but seldom-heard story! This 22-page compilation of research and news headlines illustrates the serious threats that many pregnant women face if they resist abortion. Consequences can range from homelessness to violence to murder. Also available is a one-page fact sheet (with citations on back) — the “Forced Abortion in America” fact sheet.

### **Teen Abortion Risks Fact Sheet and Ads**

*Help warn parents! Great for youth ministries, too.*

Parents need to know that teens are 6 times more likely to commit suicide if they’ve had an abortion. These materials shed light on the coercion and abuse of teens, including facts and examples of predators who use abortion to hide repeated sexual assaults, students put on a weekly bus to the abortion clinic, and hard-sell counselors who keep parents in the dark.

### **Hard Cases: New Facts. New Answers. Booklet**

Even the “hard cases” needn’t be hard to argue! Download a free copy for surprising, seldom-heard evidence from victims of assault-related pregnancies, a petition for hearings, and clear, compassionate and positive answers to this sensitive issue.

### **Research Summary Booklet**

This quick-reference booklet summarizes key studies and other facts about unwanted, coerced abortions and post-abortion issues. It includes fact sheets on psychological and physical aftereffects which you can also print out separately.

### **“Key Facts” Fact Sheet**

A bulleted list summarizing persuasive facts about unwanted abortions and the aftereffects of abortion.

### **UnChoice Print and Broadcast Ads and Posters**

This multimedia campaign exposes the truth that most abortions are unwanted and that abortion hurts women in every possible way. It opens the door to healing for millions impacted by abortion.
